

ABOUT

Welcome to Connecting Hearts Health Care where we have heart to heart services with care. Our goal is to help you stay at home and to improve your quality of life. Let us give your loved one the heart care they deserve.

At Connecting Heart Healthcare, we are more than just an organization of healthcare professionals – we are proud members of our communities.

With over 10 years of experience, we've serviced our clients that chose us because:

- 01 We know the people we serve, understand their needs, and tailor healthcare to ensure the best journey possible.
- 02 We're passionately committed to making healthcare better every day by leading the industry in clinical excellence and service quality.
- 03 We empower our clinicians and staff to embrace the communities they serve, because the best care happens in the context of strong relationships.
- 04 We also include families and caregivers in the care process, offering valuable information, guidance and – most of all support.
